SODOR

# ABOUT US

Luoyang Sodor Import and Export Trading Co., Ltd. is a wholly-owned subsidiary of Luoyang Zhongxing Group. It is a professional manufacturer of metal products integrating scientific research, design, manufacturing, sales, installation and after-sales service. We have 3 series of products, environmentally friendly public facilities: including trash cans, park chairs; office furniture: including filing cabinets, lockers; and tool cabinet products. It can meet the one-stop supporting projects of municipal engineering, schools, hospitals, large state-owned enterprises, etc.

Our company was founded in the 1990s. The company has always adhered to the corporate goal of "looking at the world and being based on the world", and has been recognized by the market with its professional and unique innovative ideas and attitudes. The company has strong technical force, many technologies have reached the international leading level, equipped with a group of stable technical talents and production management team, to provide customers with high-quality products and services.

Our company has introduced advanced production equipment, currently equipped with more than 110 sets of large-scale machinery and equipment, and 2 powder electrostatic spraying production lines. Relying on strong production capacity, reasonable and perfect after-sales service system, the goal of pursuing excellence runs through the entire production process. At present, the products have been exported to more than 20 countries and regions such as the United States, Germany, Australia, Russia, Canada, New Zealand, Indonesia, etc., and have been affirmed and appreciated by the majority of users.
